A SAFE SCREEN COLLECTION FROM

Yellow Goat Design

Our current world is experiencing change unlike anything we've seen before. Changes in design, interaction and meaning have inspired Yellow Goat Design to work harder, be more creative and innovate. Resultantly, we are excited to present YGD's new Safe Screen Collection, CONNECT. This unique collection vocalizes artistry, beauty and functionality in a seamless presentation of functional safety artwork for hospitality, educational, institutional, corporate and other areas.

Our new Safe Screen Collection serves to create confidence inspiring spaces that are defined by physical distance, while also maintaining social communication through designs that seek humanity, hospitality, connection, and reduction of waste as the ultimate goals.

Our screens are built from etched acrylic, digital printed acrylic, and powder-coated metal and have long-lasting use now and for the future. We hope you enjoy.

BUBBLE

Ever wish you had your own personal little bubble? Wish no more. Our curved Bubble screen comes in a variety of digitally printed, illustrated polycarbonate options that are fixed to a table or desk with adjustable clamps. You can even provide your own design or logo for us to customize! This design provides an intimate space for workplace, study spaces or even dining tables.

Materials: Digitally Printed Polycarbonate, Metal

Dimensions: Custom / Adjustable

PILLAR

Support health and safety in the workplace with these monoliths made of sustainable and acoustic materials. With recyclable PVC acoustic panels, Pillar promotes growth with a modular form, as well as an option for a top cap to hold plants.

Materials: Recyclable PVC Acoustic Panels, Plywood

Dimensions: Ø1'-3" x Various Heights from 4' to 7' H

AQUATIC

While these curtain screens may hang from above, they're styled for under the sea. Aquatic is a frosted, suspended polycarbonate screen that has the option to hang in one location or ceiling rails can be added for additional movement. The playful illustration adds depth to a workplace or restaurant space and the frosted panels allow light to flow through.

Materials: Digitally Printed Polycarbonate Curtains, Metal.
Ceiling Rails Optional (price per request)

Dimensions: 990mm x 1422mm and 990mm x 1828mm / 3'-3" W x 4'-8" H and 3'-3" x 6' H (per panel)

ARCTIC CHAR

This ice-cold screen is the perfect home of its namesake. The panels reflect an etched glacial wave pattern framed in metal that is found only in the northern most climes. Made to melt away your cares on a long summer day, this clever screen also provides a housing space for plants.

Materials: Metal, Acrylic

Dimensions: 1150 x 225 x 1800mm / 3'-9"W x 9"D x 5'-11"H

CLEMENTINE

This bright, juicy suspended screen is sculptural stunner. Made of powder coated metal panels with soft triangular shapes that have acoustic properties. Clementine not only has its eye on sustainable solutions, it reduces noise and has antibacterial properties. This screen will easily become your design darling.

Materials: Recyclable PVC Acoustic Panels, Metal

Dimensions: 1090 x 250 x 730mm / 3'-7"W x 10"D x 2'-5"H (per panel)

BOTANIC

You'll feel like you're in a secret garden with Botanic. Digitally printed foliage climbs and calms on this suspended curtain screen, elevating your mind and your design. Botanic has the option to hang in one location or ceiling rails can be added for additional movement.

Materials: Digitally Printed Polycarbonate Curtains, Metal.
Ceiling Rails Optional (price per request)

W x 4'-8" H and 3'-3" x 6' H (per panel)

AQUARELLE

These layered colors maintain transparency while also enlivening a space. Brushstroke after brushstroke is digitally printed on acrylic panels mounted on metal rods to bring form and color to the forefront while also functioning as room dividers. Customizable in various patterns or colors these panels are truly a masterpiece.

Materials: Digitally Printed Acrylic, Metal

Dimensions: 1194 x 2388mm / 3'-11"W x 7'-10"H (per panel)

AQUARELLE BLOOM

Aquarelle Bloom is a textured take on our Aquarelle digitally printed screen. The Bloom version is digitally printed on vinyl and applied to corrugated panels that are framed in metal. Curved and calming with a bit of a rough edge, these panels divide with the high art in mind.

Materials: Corrugated Polycarbonate, Metal

Dimensions: 800 x 1800 and 800 x 1600mm /
2'-7"W x 6'-3"H and 2'-7"W x 5'-3"H

ACRYLIC SPROUTS

A single leaf unfurls and soon the world is fully foliated in green and golden hues. Our shy Sprouts screen responds to the warmth of the kind sun and offers hints of new growth through an ingenious paper cut pattern. Riffing on our original Sprouts screen from our THAW collection, this variation replaces the metal backing screen with a solid acrylic panel that is attached to the laser cut metal pattern of sprouts to provide a solid divider.

Materials: Metal, Acrylic

Dimensions: 1190 x 2390mm / 3'-11"W x 7'-10"H (per panel)

RAINBOW MOOD

Rainbow Mood is a mindset. The design pot of gold at the end of the, well...you know. A bold mélange of laser cut metal faces, hands, and shapes enclose watercolor-esque digitally printed acrylic panels. Get ready for your mood to improve with this eye-catching design. The version featured here showcases the panels with an additional planter base. Rainbow Mood is available with or without the planter base in a range of mounting options.

Materials: Digitally Printed Acrylic Panel sandwiched between two Laser-Cut Metal Screens. Set into a metal frame.

Dimensions: 900 x 500 x 2390mm / 3'W x 1'-7"D x 7'-11"H (With Planter Base, per panel), 900 x 3200mm OAH / 3'W x 1'D x 10'- 6" OAH (Without Planter Base, per panel)

COHO

Soft scales are the centerpiece of this screen, allowing light to filter and flicker through. These acrylic panels are routed with simple design that is simultaneously modern and traditional. Wave upon wave of calm comes with Coho, which can be mounted in a variety of options including a fixed floor to ceiling frame.

Materials: Metal, Routed Acrylic

Dimensions: 600 x 2390mm / 2'W x 9'H (per panel)

BUBBLE

Ever wish you had your own personal little bubble? Wish no more. Our curved Bubble screen comes in a variety of digitally printed, illustrated polycarbonate options that are fixed to a table or desk with adjustable clamps. You can even provide your own design or logo for us to customize! This design provides an intimate space for workplace, study spaces or even dining tables.

Double: 686mm x 1702 / 2'-3" x 5'-7" H

Triple: 915mm x 1829 / 3' x 6' H

ALBACORE

There's nothing fishy at the core of this routed acrylic panel design. Inspired by our Deco-ish light fixture, Albacore is a screen companion piece in a chic Art Deco style. Curved and at zig zag heights, the routed panels reflect the joyous leap of a fish and are mounted on powder coated metal rods in available in a variety of finishes.

Materials: Routed Acrylic, Metal

Dimensions: 900 x 2000mm and 600 x 1600mm / 3'W x 6'-6"H and 2'W x 5'-3"H

TWEEN

A screen for that narrow space, not quite small, not quite large. This digitally printed acrylic screen has a narrow line pattern that undulates and converges to create an optical illusion, offering design interest to the customer as well as creating a privacy barrier between the tables.

Materials: Digitally Printed Acrylic, Metal

Dimensions: 900 x 300 x 1400mm / 3'W x 1'D x 4'-7"H

TWEEN TEXTURE

In this iteration of Tween we're taking it to the next dimension with routed acrylic panels. An Art Deco inspired look offers privacy and distancing in those narrow spaces between tables, desks or furniture.

Materials: Routed Acrylic, Metal
