# FAQ's

## WHAT DOES QUICKSHIP & BUDGET FRIENDLY MEAN EXACTLY?

So glad you asked! This is a double whammy of a YGD catalog. Not only are these light fixtures and screens reasonably priced in tiers, they also include an expedited 5 week fabrication lead time. Please note that shop drawings are not included with the Quickship collection to avoid any pre-production delays. All designs move directly into fabrication upon receipt of an order and payment.

## WHERE DO YOU FABRICATE THESE SCREENS?

Cambridge, Ontario Canada

## CAN I GET A SAMPLE OF THE MATERIAL PRIOR TO ORDER?

Absolutely! Just ask and we can send you finish samples.

## DO YOU INSTALL THIS PRODUCT?

Due to the current COVID pandemic, we are not offering on-site installation at this time. Please reach out to your GC to ensure that you select the appropriate size, material, and mounting conditions for your space. Our studio is happy to answer any questions in regards to installation instructions if needed.

## CAN I GET BULK MATERIAL PRICING IF I ORDER A LARGE QUANTITY?

Yes! Feel free to reach out to us directly to discuss further. This will be dependent on final quantity, material availability, etc.

## HOW DO I CLEAN THE SCREENS?

Our screens are designed to withstand any standard cleaning products that are NON-ABRASIVE. Eco-Lab and Lysol approved! Our acrylic options are a non-porous material that is easily cleaned and maintained.
